

Tocal College Open Days On Again

Tocal College will hold its annual open days for prospective students in the July and October school holidays. Prospective students and their families are invited to visit the College on Friday 16 July 2010, 23 July 2010, 1 October 2010 and 8 October 2010. The days enable prospective students to view the College and learn about its courses. The days start with morning tea at 10.00am and include talks on the College's courses, visits and tours of the farms. The day concludes around 2.00pm – 3.30pm and the opportunity for interviews for enrolment is provided. It is preferable that bookings are made to assist with catering 1800 025520 or by emailing info@tocal.com.

Prospective students should visit Tocal's website for more details of the College and also to gain information about the large number of scholarships available to support studies at Tocal.

Tocal graduates have an outstanding record of service to rural industries and in the work force. They are snapped up by employers following graduation and a number go on to university and pursue careers in the agricultural profession.

Full time residential courses are delivered at Tocal's CB Alexander Campus at Paterson. The College provides adult and continuing education program across the state including a large number of courses from its southern Campus, Murrumbidgee Rural Studies Centre at Yanco. All full time courses are at CB Alexander Campus, Tocal Paterson.

For further information please phone 1800 025520 or visit the website www.tocal.com
